DOB: October 4, 1978
Age: 28
Eye Color: Brown
Hair Color: Black
Height: 5'3"
Race: Black
Sex: Male
Weight: 125 lbs.

Piercings: both ears are pierced
Mother (deceased) Deborah Martin
Comparisons: 1

Details of Disappearance

Kinah Anderson was last seen in the company of two Black males around 10:45PM in the area of North 32nd and West Auer Street in Milwaukee. He had made plans to visit his mother in Carthage, Missouri, but never arrived. Foul play is suspected in this case.

Article Re: Sewer & State V. George Reed: This case references what might have gotten Kinah killed. Dannyell was referred to there as Kinah's "brother" but his last name is alternatively given as Reed or Harris. He was George Reed's biological brother. It says that there was testimony Anderson shot another person and rumors are he was killed for that and his remains put in a sewer. The sewer article had Danyell saying he thought the victim in the sewer might be Kinah (it was not). He has been legally declared deceased.

Case #2

Google maps updated the street she lives on in September 2024. She's still missing, so I have questions. First, note the camera, just out of interest. Secondly, she lives at 815A <-- note the A Minnesota St. This may explain why she has two windows open and a car in the lot. Because where there is an A, there is presumably a B. Hopefully police spoke to B. Then there are the two sketchy garages, which I wonder if anyone looked inside or behind.

The law enforcement in this case are on the ball: "We currently had mitochondria DNA related to Orin Anderson on file with NamUS and being continually checked through the CODIS network. We have all the original police reports and files as well as all follow up supplemental reports regarding this case."

Here you can see Virmond Park - it's a lot different from what it was in the 70s. But there is a walk way in the southern part that takes you to the slim sliver of beach. Along that beachline, if passable, might have washed up bones or other items that might be evidence. Of course, that all is if Orin drowned. Be safe going here.

Ayon, Cassandra

Last Seen: October 3, 2020
Location Last Seen: Unity, Marathon County
Age: 27 yrs. old
DOB: September 1, 1993
Eye Color: Brown
Hair: Black, Shoulder length
Height: 5'4"
Piercings: Ears
Race: Hispanic
Sex: Female
Weight: 185 lbs.
Clothing: Black long sleeved T-shirt, blue jeans and brown boots.
Tattoos: On right side shoulder "tattoo of roses." On her left forearm has a rose, rosary and a dove & Alberto
Transportation: Missing vehicle is a Black Chevy Impala with black rims Wisconsin tag # AHZ-2509

Details of Disappearance

Unfortunately, the court has found Cassandra's ex to have murdered her and hid her body and her car.

Law enforcement said Cassandra left the trailer park her friend lived at around 4 am. There's only one trailer park I could find in Unity. Based on her presumably going home to Loyal, the best route would be south out of town first. This goes over the Eau Pleine river by a railroad track (you can see on Google maps). One side has a beaver dam, the other is grown over. Further south but before she would turn to head towards loyal is a park on the river, Unity Park, which is heavily wooded. The police theorize that Jesus was hiding in her car and popped out and attacked her. The car is still missing. When cars are missing, they are often located in bodies of water. Cassandra's family said "Adventurers With Purpose" are not handling foul play cases anymore. I doubt Jesus (her convicted killer) stayed hidden once they got out of Unity and probably attacked her there and dumped her car in the logical places, either in the river area right outside town or more likely, he drove it to the park and dumped the car there.
