Details of Disappearance

Article Re: Sewer & State V. George Reed: This case references what might have gotten Kinah killed. Dannyell was referred to there as Kinah's "brother" but his last name is alternatively given as Reed or Harris. He was George Reed's biological brother. It says that there was testimony Anderson shot another person and rumors are he was killed for that and his remains put in a sewer. The sewer article had Dannyell saying he thought the victim in the sewer might be Kinah (it was not). He has been legally declared deceased.
