Details of Disappearance

Buford was last seen in the [3100 block of North Julia Street](#) in Milwaukee . His friends stated he broke his phone, was in a weird state of mind, and was seen walking towards the water. In searching, check nearby Rose Park & Lake Park.

A father's plea: My name is Mensah Bonman. My son Javeoni Buford has been missing for over a year. I am in need of help from my community. My son Javeoni has been missing since November 16th 2021. I have done everything a Father is suppose to do looking for my son. I filed a missing persons report at the 5th district Milwaukee Police Department, I asked them to do welfare checks, and I got nowhere with that.

MPD just reached out to me last month to ask if I heard from my child ITS BEEN A WHOLE YEAR!!! Tell me when does a 24 year old Black young man from 4th and Julia who stayed with his Mom just vanishes without a trace. My son and I had a good relationship. Javeoni wasn't the type of person who would leave and not tell me or someone where he was going.

Javeoni was a hard working young man that like to dress nice, and he would help anyone he could. Javeoni wasn't a troublemaker. He didn't get into trouble nor was violence his thing. He also didn't have any enemies he stayed to himself. I am reaching out to the community for help. His friends have organized a serach team that helped put flyers up in the community, but no media coverage. I miss my son...

It's been over a year since anyone have heard from him. I'm crying asking begging my people my community to help me find my son.

MISSING PERSON

Javeon Buford is a 24 year old male who was last seen between November 14th 2021 and November 16th, 2021. Javeon was last seen wearing a grey hoodie, black jogging pants, grey ACG Boots with a sports backpack and a black coat. Friends have heard mixed messages regarding his mental state during the days he was last seen but it is said that Javeoni left after smashing his phone. Reluctance from certain relatives has made it a lot more difficult to locate Javeon and we need help from the community. Javeoni is 6'2 and 150-170lbs with brown eyes and black shoulder length dreads. **PLEASE REACH OUT TO THE FOLLOWING PEOPLE IF YOU SEE OR HEAR FROM JAVEON BUFORD:**
