Details of Disappearance

Timothy left Waukesha to go hunting "up north." He was last seen at the residence of Mrs. Edward Pilarsky south of Ladysmith. 8219-8019 Ambrose Rd, Ladysmith, Edward had just passed away and it was not fun for Carrico. He told a friend "see you later" and left. There were possibly sightings of his car afterwards. Waukesha is the sheriff in charge of the case despite him going missing in Rusk.
