<div>Details of Disappearance</div> <div>Last contact with him was on Friday, June 30, 2006 at 12:30 p.m. There are concerns about his mental well-being and safety. No foul play is suspected. Mr. Czerwony may have wandered off voluntarily and frequently visits taverns. Regarding the podcast, I think the temporary roommate mentioned in the podcast is now deceased, Robert Ingersoll (if that is who they meant, he is deceased) and had battery and domestic abuse convictions. Ingersoll also had many thefts and drunk driving charges and was definitely in and out of trouble at the time.</div>	<div>More Information</div> <div>NaMus</div> <div>Charley Project</div> <div>Podcast</div> <div>Article</div> <div>FindAGrave</div> <div>Websleuths</div> <div><div>Case Holder: Portage Sheriff's Dept</div><div>(715) 346-1400</div><div>Agency Case Number S06-06541</div></div>
