Details of Disappearance

He was last seen on Friday, July 19th, in the area of Larry Lane in the Town of Burke. Paul does not have a vehicle but is known to use ride-share apps. He is also known to frequent the downtown area of Madison. The Sheriff's Office personnel, with the assistance of Madison Police, has been conducting extensive searches near his place of residence, using K9s, drones, ATVs, and people on foot, but there has been no sign of Paul. As you can see from the map, he was possibly in [Cherokee Marsh Wildlife Area](#) where you -can- hunt. So hopefully hunters will keep an eye out for any evidence.
