Details of Disappearance

Bilial was last seen at his home on Poole Court in Beloit. On the morning of August 6, 2011, he ran errands with his mother, Lorrie Hammette. They had a heartfelt conversation, and Bilial expressed a desire to spend more time with her. He mentioned going fishing but was struggling to find friends who were interested. Later that day, a black vehicle picked him up after he called a friend for a ride, but the make and model of the vehicle are unknown. His friends did not recognize it, and this was the last confirmed sighting of him.
