Details of Disappearance

Per Charley Project: Jovaag was last seen in Holcombe at 11:00 a.m. on June 30, 2015. She didn't have a vehicle and typically walked to get places. The surveillance video at a gas station near her residence showed her walking in the direction of home, and a neighbor saw her near the end of her driveway. She has never been heard from again.

An extensive search of the area turned up no indication of Jovaag's whereabouts. Authorities don't believe she is still alive, but foul play is not suspected.

Maiden name was Ewer, Michael Jovaag ex husband, she had also been married to Scott Gehrt who died recently. Both divorces were long ago and they all seemed on good terms.
