## Details of Disappearance

From the Article at right: "Rhiannon told Dateline she last spoke to Sarah on November 21, 2001 - the day before Thanksgiving. "We were just talking about different things we were doing for the holidays and preparation for Thanksgiving dinner," she said. "We had pretty much spent the entire day together, and then I dropped her off at somebody's house that wasn't far from where she lived. She said, 'I'll walk home from here,' which she did." Rhiannon said she got a call the day after Thanksgiving from Sarah's mother, Linsey Martin. She was wondering if Rhiannon knew where her daughter might be. "[Sarah] had apparently left the evening before, which would have been the night of Thanksgiving," she recalled. "Sometime late at night, she had left and was picked up by an unknown individual and nobody ever saw or heard from her again." On a forum I cannot locate right now, Rhiannon admitted Sarah had recently gotten into drugs and fallen in with the wrong people.
