Details of Disappearance

Last Seen: At a music festival with a man named Dave Mills. Jody was dropped off at his house and was later seen on camera at a Walmart with him. He reportedly changed his story about when he last saw Jody and whether he was at the festival with her. She was last seen going down to a creek on the evening of May 27, 2018. Multiple Law Enforcement personnel, search and rescue teams, and cadaver dogs searched the area for days. No sign of Jody was ever observed in the area where she was last seen. There has been no activity on Newberry's cellular phone, credit cards or social media accounts since she went missing. It's uncharacteristic of her to be out of touch with her family.

Nunez, Susan Rodriguez

Missing Since: August 15, 2004
Location Last Seen: Milwaukee, Milwaukee County
Age: 38 years old
Date of Birth: August 15, 1966
Race: Hispanic/Latino
Gender: Female
Height: 4'11"
Weight: 100 lbs
Hair Color: Brown
Eye Color: Brown
Maiden name: Rodriguez
Exclusions: 1

Details of Disappearance

Nunez disappeared from Milwaukee on August 15, 2004. She was last seen walking away from her residence (1904 W Greenfield Ave, Milwaukee) to celebrate her birthday and never returned. She had a history of drug and alcohol abuse.

The following relates only to the Divorce in her legal history:

DOB for Dagoberto should be 1957, based on other records, not 1927 as they wrote in the divorce. Date missing for Susan is August of 2004. This divorce was filed by Dagoberto in February of 2004. It was granted in June of that year.

Susan also had a restraining order against a Victor Figueroa, whom she was living with, in February 2001. Another weird discrepancy.

This is a restraining order filed by Susan against Dagoberto. It was carried over from an old computer system to now. The TRO was granted, alternatively in 1995 but some of the dates say June 22, 1979. Susan only would have been 13 so this date is in error.
