## Details of Disappearance

Rickard was last seen in Kansasville in the Hickory Haven Mobile Home Park, where she lived, on June 25, 2017. The address is approximately 23010 Durand Ave, Kansasville, WI 53139. She is believed to have left her home during the night via her living room window, either unclothed or in a nightgown; her husband stated he thinks she was in a disoriented state and possibly frightened. Her footprints were tracked into a marshy area before they disappeared. She was last seen walking westward through a field half a mile from her home. She is supposed to be on oxygen continually but left without her oxygen tank.
