Details of Disappearance

Carol J. Wells went missing in April of 1973 from Winnebago County, Wisconsin. She was reported missing by her brother after a few weeks of not having contact with her. I found a divorce record for Lloyd Wells from a Carol Joyce Skalecke Wells in the Oshkosh court system. Lloyd died in 2017.

Lloyd Wells lived at the house location until he died. Under construction in 1971. Real estate sale posts show a little weird patio with chairs on it outside. Wonder if the current owners would mind the police digging it up? The full basement and the garage are both mentioned in the ad, and perhaps the patio was added later. There is no permit for the patio.
